MAKE A REAL DIFFERENCE AND CHANGE LIVES

Our Residential Childcare Skills Bootcamps are designed to impart essential knowledge and skills, however, they also embrace and enhance the core values and mindset of those who currently work or want to work in this vital sector supporting children who have faced adversity and challenges.

The learners receive an immersive and transformative experience that uniquely equips them to excel in the challenging yet rewarding sector of Residential Childcare.

ACHIEVE YOUR CAREER GOALS

We have created three unique Residential Childcare Skills Bootcamps to support learners to work and progress in the sector:

1. **Discover your Calling**
2. **Bridging the Management Gap**
3. **Unlocking Leadership Potential**

The Skills Bootcamps support a different career pathway.

Discover your Calling: Introductory Residential Childcare Skills Bootcamp

Is this for me?

This Bootcamp is the ideal starting point for those aspiring to excel in Residential Childcare settings. It offers a well-rounded foundation in child development, communication, safeguarding, and crisis intervention, complemented by a holistic approach that fosters qualities like empathy, compassion, and resilience.

What will I learn?

With personalised guidance, assessments, and peer networking opportunities, learners are fully prepared for entry-level roles in Residential Childcare upon completion, enriched by real-life case studies and guest speakers emphasising cultural sensitivity, diversity, and ethical considerations.

Bridging the Management Gap: Residential Childcare Management Skills Bootcamp

Is this for me?

This Skills Bootcamp course is tailored to bridge the gap between being an effective practitioner and becoming a skilled manager, equipping learners with the knowledge and skills necessary to progress into management/deputy management positions within residential childcare settings.

What will I learn?

Through practical exercises, case studies, and group discussions, learners will gain hands-on experience and apply their knowledge in real-world scenarios. Upon completion, learners will be better prepared to take on supervisory / deputy management roles within the sector, enhancing their career prospects and contributing to organisational success.

Employed Learners

Is this for me?

This advanced bootcamp is tailored for learners already employed in Residential Childcare or those aspiring to transition to leadership positions within the sector.

It focuses on understanding the unique challenges of leadership in this sector, and building competencies such as effective communication, trauma-informed care, and crisis intervention.

Unlocking Leadership Potential in Residential Childcare: Skills Bootcamp

What will I learn?

Learners will use real-life scenarios, industry expert insights, and shadowing within residential childcare settings to deepen their understanding.

By fostering self-awareness, stress management, and diversity and inclusion, this bootcamp aims to nurture well-rounded leaders who can navigate complex challenges in Residential Childcare leadership and management.
