INFORMATION FOR EMPLOYERS

We work together with Health & Social Care employers to create tailored training bundles to ensure that staff are well-equipped to deliver high-quality care in your setting.

Our training is designed to impart essential knowledge and skills, however, also embrace and enhance the core values and mindset of those who currently work in this vital sector.

The learners receive an immersive experience that equips them to excel in the challenging yet rewarding roles your setting offers and provides long-term and sustainable investment in your workforce.

ACHIEVE YOUR CAREER GOALS

We have created unique bundles to support learners to work and progress in the care sector across different levels and disciplines:

1. **Mental Health Bundle**
2. **Dementia Bundle**
3. **Autism Bundle**
4. **Communications Bundle**
5. **Leadership & Management Bundle**

Full information on the modules, assessment, and eligibility for each bundle will be provided.

Why learn with us?

Flexible learning hours to suit the needs of you and your employer

Specialist Health & Social Care career advice and guidance

Established local Greater Manchester network of care employers

Offers a range of qualifications to support learners of all levels

Ofsted rated 'Good' provider

In-house learner support for those with additional learning needs
